Message

Dear Colleagues

It is my pleasure and honor to invite you all to The

**1st. Annual Conference Of Pediatric Department Ismailia
General Hospital from 9 to 11 Nov 2017 in
Tolip Hotel-Ismailia.**

The conference is a comprehensive meeting fully devoted to clinical controversies, debates and updates in management in Pediatrics with an academic gathering for physicians and scientists devoted to clinical controversies, based on debates and discussions. Discussing controversial issues in a critical manner with ample time for speaker-participants interaction, reaching the best clinical recommendations & solutions for therapeutic dilemma. I am delighted to extend an invitation to all our colleagues to register and actively participate in this distinguished event.

The program is made as exciting and interesting as possible and we have invited expert faculty members.

Our main trust will be to encourage continuous medical education where both experts and delegates meet to share and learn. Finally, I hopes to welcome you all in this distinguished congress and to enjoy meeting, discussions and your stay with us in **Tolip Hotel - Ismailia** which is one of the most fantastic destinations in Egypt

With best wishes,
Presidents of the Congress
