# Welcome

On the behalf of the scientific Committee, it gives us immense pleasure to invite you to the "Recent advances in cardiovascular Medicine" to be held at Tolip alexandria hotel on 3<sup>th</sup>-5<sup>th</sup> May 2018

The Conference has been designed to provide an innovative and comprehensive overview of the latest developments in cardiovascular medicine, as well as responses to the most debatable issues primarily in the areas of the prevention, diagnosis and management of heart failure, coronary artery disease, cardiac arrhythmias, stroke, acute coronary syndromes, hypertension, diabetes and metabolic syndrome.

The two days event will bring together the foremost thought leaders and experts in cardiovascular medicine from Egypt, to discuss strategies for disease remediation for heart, Heart Failure, Electrocardiography, and Nuclear Cardiology. These distinguished cardiologists and scientists will present data in the form of plenary sessions, symposia, oral presentations and posters and will include superb scientific material that will be carefully selected by the Scientific Abstract Review Committee. The conference will be organized around the theme "From prevention to treatment".

We hope that you will enjoy the Congress and that your interaction with your colleagues from many different countries will stimulate a creative exchange of ideas that will be personally rewarding.

We also hope and trust that you will enjoy your visit to the very beautiful city of Alexandria on 3<sup>th</sup>-5<sup>th</sup> May 2018

Prof. Dr. Tarek Abdel Ghaffar  
Chairman of the meeting
