Welcome Message

On behalf of the clinical oncology department of Menoufia University, I'm delighted to invite you to attend the second annual international conference that will be held on

19th - 20th September 2019 at Tolip Golden Plaza Hotel

The conference is mainly discussing the new updates in oncology and the practice changing recent trials. Junior oncologists are part of the scope of this conference through the skill refining workshops. There is also a dedicated session for young oncologists. In this conference we will also discuss cancer management in different clinical situations as well as the most common malignancies and updates in their management. I hope you will enjoy the scientific content of the conference.
